carefully consider both the content and the writing in its assessment of your candidacy for graduate study at UWA.

To help us better understand your decision to enroll in the Ed.D. in Rural Education, please discuss the following:

**BACKGROUND (INCLUDE ACADEMIC BACKGROUND AND WORK EXPERIENCES):**

- What key experiences have contributed to your commitment to rural education and to rural communities?
- What do you view as your most significant professional accomplishment(s) and your most significant professional failure(s) to date? How did they mold you into the person you are today?
- Explain your academic background (undergraduate and graduate education)

**FUTURE PLANS AND GOALS:**

- What issues would you like to tackle in your career as a leader in rural education?
- How do you envision yourself affecting significant change in rural education / rural communities?
- What motivates you to reach your lifelong goals?

**RESEARCH ACTIVITIES AND INTERESTS:**

- What are your areas of research interest? Why are these areas of interest to you?
- Describe any scholarly work such as publications, presentations, or grants

**PROFESSIONAL ORGANIZATIONS:**

- List current organizations for which you have membership
- Identify key roles you play in the various organizations
- Describe any community service work that you do or service organizations for which you have membership
