

Scoring Rubric for Comprehensive Exam

Final assessment of the comprehensive exam (candidate's work) is based on the rubric provided in which content, mechanics, and overall organization are evaluated. After this evaluation, a student who completes the comprehensive exam/questions with a passing grade of 70% exhibits the capability to inform and instruct others in various fields of human performance.

Health Sciences Human Performance (Physical Education, Sport Management, Athletic Training, Exercise Science) — Comprehensive Exam Scoring Rubric, with scores recorded by question
